

REMARKS

In the Notice of Non-Compliant Amendment mailed March 20, 2008, the Examiner noted that the claims submitted in the “Amendments to the Claims” section of the Amendment and Response to Office Action filed February 28, 2008, were not presented in ascending numerical order. Specifically, in the “Amendments to the Claims” section, the Claim after Claim 76 recited Claim ‘7’ instead of Claim 77. Applicants respectfully submit that the “Amendments to the Claims” section contained a typographical error. Accordingly, applicants have revised the “Amendments to the Claims” section to remove the typographical error while amending the claim to be re-numbered as Claim 77.

Pursuant to 37 C.F.R. §1.121, applicants respectfully request entry of the corrected “Amendments to the Claims” section of the Non-Compliant Amendment in which the claim now correctly recites Claim 77.

Applicants respectfully request entry of the Amendment and Response to Office Action filed on February 28, 2008, with the corrected “Amendments to the Claims” section submitted herewith inserted in place of the original “Amendments to the Claims” section.

CONCLUSION

The foregoing is submitted as a complete Response to the Notice of Non-Compliant Amendment mailed March 20, 2008. Applicants submit that the claims in the present application are in condition for allowance, and such action is courteously solicited.
